

• **Red Ledges**, a recreational community located in the Heber Valley, has opened the first unit in its **Cottages at Red Ledges**, which represents a new home ownership option that provide buyers with the luxury of owning their own home along with the convenience of low-maintenance living. The newly finished 3,358 square foot Cottage is based on the alpine lodge motif and includes three bedrooms, one office, 3.5 bathrooms, three fireplaces, a laundry room, open living spaces and a mudroom built as an access from the garage. The Cottages, which are priced from about \$1.2 million, have an anticipated seven to eight-month build time.
