

Record Sales in 2017

DRIVEN IN PART BY THE OUTSTANDING SUPPLY OF NEW AND EXISTING/RESALE HOMES THAT CAME ON THE MARKET THIS YEAR, THE TOTAL DOLLAR VOLUME OF SALES IN RED LEDGES ECLIPSED THE PREVIOUS FULL-YEAR RECORD WAY BACK IN OCTOBER. More recently, the total number of buyers this year also set a new record for the community, with over 110 “retail” buyers (plus a number of builders) purchasing property in Red Ledges.

This record sales year goes hand-in-hand with the record level of construction activity in the community. As of early December, there were over 100 homes either under construction or in the design and approval stages in Red Ledges. The community’s official website, www.RedLedges.com, is a convenient resource for seeing the newest and best selection of properties available for sale; the team at Red Ledges Realty are also the recognized experts in finding the perfect fit for buyers and sellers in the community.
