

Red Ledges Fly Fishing Trip - Flaming Gorge Resort, Green River, Utah Monday, May 11 – Wednesday, May 13

Just 3-hours from Red Ledges, Flaming Gorge Resort is nestled in the heart of Ashley National Forest, surrounded by beautiful scenery and wildlife on the blue-ribbon waters of the Green River. Whether you're wanting to experience your first fly-fishing trip or you're a seasoned pro, this all-inclusive getaway takes the headache out of planning so you can get the most out of your experience!

Your getaway (based on a 2-person booking) includes:

- Two Full Days on the Green River with an expert guide in a classic dory boat
- Box lunches on the river both days
- Two nights lodging at Flaming Gorge Resort (single occupancy rate is available upon request)
- All taxes

Not included:

- Guide tips
- Meals at the Resort & snacks

The Trip:

We will arrive to Flaming Gorge late Monday afternoon. Upon arrival you'll check into your room, get your fishing gear rented/organized and purchase fishing permits before enjoying dinner together. The next morning we'll enjoy breakfast before heading out on the Green around 8:00 a.m. Lunch will be enjoyed on the river and we will return to the Lodge around 5:00 p.m. to relax and enjoy dinner. The following day we'll repeat the same itinerary before heading back to Heber around 5:30 p.m. on Wednesday, with memories to last a lifetime!

About Flaming Gorge Resort & The Green River:

Flaming Gorge Resort is one of the longest running guide services on the Green River with almost 40-years of experience. Whether new to the sport or an old pro, the friendly, professional guides will do their best to help you catch the fish of your dreams!

The Green River is well known for its excellent fly fishing and is considered one of the best tailwater fisheries in North America. This world-class, blue-ribbon, trout fishery is home to Browns, Rainbows, Cutthroats, and Cut-Bow Hybrid Trout. The Division of Wildlife Resources in Utah states that the Green River has between 8,000 and 22,000 fish per mile between the dam and Red Creek rapids! This is unreal when compared to other blue-ribbon fisheries such as the Snake and Madison Rivers, which each boast to have numbers near 5,000 trout per mile of river.

Flaming Gorge Resort's Flyshop has an incredible selection of equipment rentals as well as a vast variety of flies, souvenirs, fishing gear and much more.
