UINTA PRESERVE

Uinta Preserve introduces expansive, luxury homesites that offer the perfect canvas for your dream custom residence. Perched on a picturesque ridge at one of the highest points in the Red Ledges community, these generously sized properties showcase breathtaking, panoramic views of Mt. Timpanogos and the beautiful Heber Valley. Backing to the **395-acre Nature Preserve**, a protected conservation easement, this neighborhood provides unparalleled access to tranquil open space, ensuring privacy, natural beauty, and room to explore.

As one of Red Ledges' most exclusive offerings, availability is limited—making this a rare opportunity to claim your place in this exceptional setting.
